MEMORANDUM FOR: Chief, Plans and Programs Staff, DD/S&T

SUBJECT : Agreement on Loan Equipment

1. The subject agreement is acceptable with the exceptions of paragraph 1-b and 2-b. Even these would be acceptable under certain circumstances when large funding requirements were imposed on the loaning service, but when the operations do not extend much beyond normal activities of the loaning service, it is believed that the reimbursement problem would involve greater costs than actually conducting the operation.

2. In citing the above exceptions I am concerned with operations such as [REDACTED]

involved in the project. There has never been a request for reimbursement or an indication that such was desired. This same situation applies to [REDACTED]

3. It would therefore seem that the agreement as set forth would complicate the current method of operation which has been very satisfactory.
